Levi Strauss & Company; Amended Certification Regarding Eligibility To Apply for NAFTA-Transitional Adjustment Assistance

In accordance with Section 250(a), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974, as amended (19 U.S.C. 2273), the Department of Labor issued a Certification of Eligibility to Apply for NAFTA Transitional Adjustment Assistance on August 7, 1997, applicable to workers of Levi Strauss and Company, located in El Paso, Texas. The notice was published in the **Federal Register** on September 17, 1997 (62 FR 48889). The certification was subsequently amended to include the subject firm workers at the El Paso Field Headquarters in El Paso, Texas. The amendment was issued on September 14, 1997 and published in the **Federal Register** on September 30, 1997 (62 FR 51161).

At the request of the company, the Department reviewed the certification for workers of the subject firm. New information received by the company shows that worker separations for those workers engaged in the manufacture of Dockers have also occurred, as well as separations from companies doing contract work at these Levi Strauss locations. Based on this new information, the Department is amending the certification to cover the subject firm's Docker workers as well as contract workers at the approved Levi Strauss facilities.

The intent of the Department's certification is to include all workers of Levi Strauss and Company, including contract workers, who were adversely affected by increased imports from Mexico.

The amended notice applicable to NAFTA-01807 is hereby issued as follows:

All workers of Levi Strauss and Company, including Dockers and temporary or contract workers at the following facilities, who became totally or partially separated from employment on or after July 9, 1996 through August 7, 1999 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974:
